## Summer and Winter Hours : By Appt.

We use the off seasons to do maintenance and work on next seasons plants. Our hours are dictated by daily task. If you need to pick up a few plants or have questions, we are just a call away.

**706-492-4219**

All prices are based on current stock. Prices are subject to change as the season progresses.

While plants from all of the greenhouses can be used in combo planters, those located in house #1 and house #6 are more ideally suited for container performance.
